

Health and Safety

The safety, health and wellbeing of our people is always, how we conduct business.

OUR POLICY

- + We will educate and train our people to persistently pursue an environment that is injury free
 - + We will comply with all legislative requirements
 - + We will be prepared and train for emergencies and learn from our experiences
 - + Provide simple systems that develop the competencies and behaviours required to manage our health and safety
 - + All personnel must wear the required PPE as and when required
 - + Managers and Supervisors will lead by example
 - + We will ensure that open and honest communication exists between employees, contractors, suppliers and other business partners
 - + Everyone has the right to intervene when they have concerns about safety
-
